

EDUCATIONAL SERVICES

Artist's Eye Inc. provides a number of art and education services for collectors and for the community at large. Here are a few of the services Artist's Eye, Inc. offers. Contact us for more detailed information:

Educational Outreach

Consulting and advising

- Art and Education consulting services
- Art Instructional Classes and Curriculum Development
 - For professional art organizations
 - For School and After-School Art Programs
 - For Teacher development
 - Painting and art classes for artists

Lecture and Learning Series

- Artist's Eye Inc. provides a variety of professional art and educational presentations for organizations, museums, schools, universities, and community associations. Services may include curriculum development, direct instructional services, seminars and workshops, judging and curator services, as well as art exhibition service. Contact us for details.
- Artist's Eye, Inc. provides art educational services to private independent and public school systems; for profit and non-profit educational organizations; art organizations; and community based programs. We are listed within the Broward County approved artist registry. Art instruction for both typical and special needs children. Some of our clients have included the Broward County Public Schools, Young at Art Children's Museum, YMCA programs, United Cerebral Palsy of South Florida, ArtServe, and the Broward Art Guild.

Student Art Exhibitions

- Artist's Eye Inc. is proud to be a supporter and sponsor for United Cerebral Palsy of Broward County, Inc. "Behind Our Eyes" Student Art Exhibition. For over four years Artist's Eye, Inc. has provided art services and art donations from professional artists for the art exhibition and event which showcases the art of students with varying disabilities.

Alternative Art Space

- In addition to our main gallery, Artist's Eye Inc. has managed an alternative gallery showcase space- "Café Gallery" since 2008. This art space showcases small solo artist exhibitions on the Davie campus of Florida Atlantic University within the Student Union Building inside Steve's Espresso Coffee Shop. Faculty and students may view the works of local, established, and emerging artists. Artists have the opportunity to show and sell their work.

Collector Art Service

- Art and in home art consultations and advising for collectors.
